The summer school of food production

Dear students, we would like to invite you to the summer school, which will take place in the beautiful South Bohemia Region.

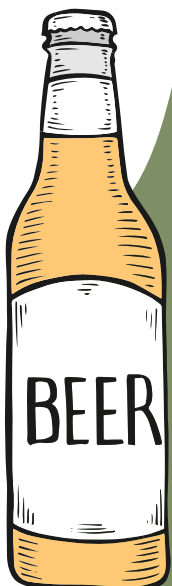

WHEN?
June 2023

WHERE?

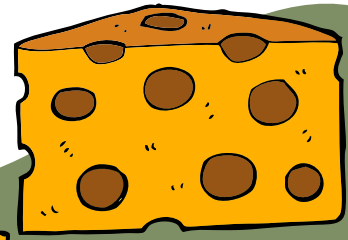

At the Faculty of Agriculture of
the University of South Bohemia
in České Budějovice
in Czech Republic

You will get
to know our
beautiful city
as well.

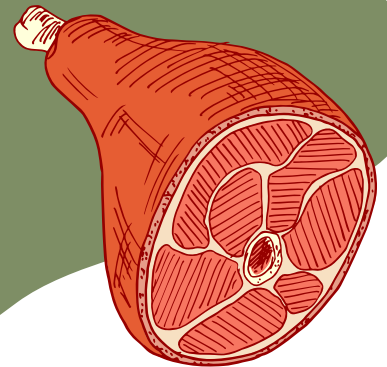

After the
summer
school, there
will be online
degustation,
where we all
will meet
again and
taste the
produced
beer.

As a part of the summer school, you will learn how to brew top-fermented beer, make fresh cheese and prepare meat products.

The summer school also includes an excursion to operations focusing on local ingredients and recipes.
