

PREP CLASS - AUTUMN TERM 2020 - 2021

SPEAKING PORTFOLIO PROJECT BRIEF DETAILS OF ASSIGNMENTS

PROJECT 1

ACTIVITY – Video Recording

TASK: Shoot a video describing your hometown. RULES and HOW TO:

- Minimum 3 minutes and maximum 6 minutes.
- Use as much vocabulary as you can. Videos will be graded based on:

o Grammar,

o Vocabulary

o Discourse Management

o Pronunciation

o Interactive Communication

- The video should be one piece. (this can involve the student starting the video then pausing and continuing to generate a whole final single video project).
- The student can include relevant photo's and visual material in the video.
- The student must not read from a pre-written script to the video camera.
- The video must not just be audio sound or just pictures or just the surroundings being filmed and no narration, the student also needs to be visible throughout the whole video to ensure the student isn't reading from a pre-written script.

- The student will start the video by saying their first name, surname and class (e.g. This is Figen Uçmaz from D1).

I am going to shoot a video about my home town. I am going to describe Adana. Adana is a very beautiful city with its

- The student must save the YouTube video on their channel and set the video to unlisted (not private).

first name_surname_Class_VR1 (VR stands for Video Recording) (e.g. Figen_Ucmaz_D1_VR1)

- The student must send their youtube link to the [Speaking Portfolio P1 Video 1](#) on the UZEM platform on the 14.12.2020.

- If the student submits the video after the deadline it will be ungraded. (The mark will be zero unless there are mitigating circumstances such as a student is very ill and unable to complete the task due to illness they can request an extension).
